

Reference List of Belt Conveyor

Year	Description
2007	belt conveyors Huaneng Yimin Coal & Electricity Co.
2007	belt conveyors Lian Yun Gang Port.
2006	2800 tons of Conveyors Huaneng Yimin Coal and Electricity Power Company.
2006	5800 tons of Belt Conveyors the Jingtang Coal Terminal.
2006	1000 tons of Mobile Conveyors were supplied to ThyssenKrupp Fördertechnik.
2005	Belt Conveyors of 6506 tons 5th stage Coal Terminal Project, Qinhuangdao Port.
2005	Idler Rollers and Pulley altogether 360 tons Sea Wealth Holdings Ltd.
2005	Belt Conveyors of 1732 tons 3rd Stage Zhenjiang Port Project.
2004	Belt Conveyors of B=1400 and 1800 were supplied Datang Ningde Power Co.
2004	Belt Conveyor Wangtan Power Plant.
2004	Belt Conveyors of B=1200 and 1400 Baoshan Iron & Steel Co., Ltd.
2004	379 tons of Pulleys Rizhao Yuqiao Iron Ore Handling Co., Ltd.
2004	2900 tons of Belt Conveyors 1st Stage Ore Terminal Project, Caofeidian Port.
2003	S11562 sets of Idlers China Huadian Engineering Corp.
2003	2260.623 tons of Belt Conveyor Huanghua Project.
2001	Cooperated with KRUPP Co., Germany in supplying 140 tons of Belt Conveyor and Tripper Car for Waigaoqiao Thermal Power Project.
2001	Supplied 30 sets of Hoists for Nishida Tekko Corp., Japan.
2001	Supplied 203 tons of Steel Structure of Pipe Type Conveyors for Hitachi Zosen Project, Japan.
1999	Cooperated with ALSTOM International Automation Ltd. for 150 tons of Pulleys of Tianjin Nanjiang Coal Export Terminal Project.
1999	1060 tons of Belt Conveyor System for Kobe Steel Power Plant Project.
1998	2 sets of Belt Conveyors for M&S Enterprise, Japan.
1998	Supplied 230 tons of B=1200x3 Belt Conveyors for the port of Timber Plant in Saigon, Vietnam.
1997-1998	Cooperated with Zhenhua (Macao) Co. Ltd, for 3200 tons of Belt Conveyor Systems of Qianwan Ore Wharf Project.
1997	Designed and supplied 23 sets of Belt Conveyors (B=1400 mm, Total length= 3200m) for coal handling Sanhe Power Plant.
1997	Designed and supplied 21 sets of Belt Conveyors (B=1400 mm, B=1800mm, Total length 2500m) for coal handling Shalingzi Power Plant.
1996	Design and fabrication contract of belt conveyors for Eynes and Omerler Underground Coal Mine, Turkey.
1996	Contract signed with Gosei Industries Corp. Japan for fabrication of steel structure of Takuma Incineration Project in Japan.
1996	Cooperation Contract with Siebtechnik GmbH, Germany for Belt Conveyors of Sampling System of 1/E Commodity inspection Bureau, Qinhuangdao Port.
1996	244 sets of Pulleys for Halla Co., S. KOREA.
1994-1995	Cooperated with MHI, Japan in supplying Pulleys and Idlers of Belt Conveyors for IV stage Coal Terminal, Qinhuangdao Port.
1994	Shift able Belt Conveyors for semi continuous processing Zhungeer Open Pit Coal Mine
1994	Supplied the Japanese Momose Co. the Belt Conveyors and Apron Feeders.
1993-1995	Cooperated with KPUPP Co., Germany in supplying Shiftable Belt Conveyors for BWE System of Zhungeer Project - The largest open pit coal mine in china.
1993	Cooperated with NC Co., Japan for supply of Belt Conveyors to a power plant in Japan.

1992	Explosion proof Belt Conveyors for Lu'an Underground Coal Mine - World Bank Loan Project –(EP)
1992	Supplied Belt conveyors for Kawasaki Iron & Steel Co., Japan.
1992-1993	Belt Conveyors (21 units) for Xinsha Coal Terminal of Huangpu Port, Guangzhou -World Bank Loan Project (EP)
1991-1992	Cooperated with MHI, Japan for Belt Conveyor of Qiangdao Qianwan Coal Terminal.
1990-1991	Cooperated with NC Co., Japan for Belt Conveyor Systems of Malfrad Cement Plant Project. Yemen.
1990-1991	Belt Conveyors and Stacker for material handling system of Saraburi Cement Plant in Thailand (EP)
1989-1990	Cooperated with MHI, Japan for Belt Conveyor Systems of Bulk Grain Terminal Project of Qinhuangdao Port.
1989-1990	Cooperated with NC, Japan, in supplying Belt Conveyors, B=1800mm for Coal Terminal of Vladivostok Port, ex-USSR.
1990	The largest (B= 2000mm) Steel Cord Belt Conveyor for quick loading in China at that time Datong Coal Mine.
1989	Domestic longest (3.5km) Steel Cord Belt Conveyor for main shaft handling in Datong Coal Mine
1989	Cooperated with Mannesman Demag, Germany in supplying Belt Conveyors for Tianjin Seamless Tube Plant Project.
1989	Cooperated with German Moller GmbH in supplying Belt Conveyors for Palletizing Project of Yantai Port.
1988	Cooperated with Dravo Wellman Co. USA to supply Belt Conveyors for Shidongkou Power Plant, Shanghai.
1987	DC direct drive, 670kw ×3, Steel Cord Belt Conveyor was designed / supplied for main shaft handling in Yangquan Coal Mine.
1987	Cooperated with Nippon Conveyor Co. (NC), Japan in supplying B=1600mm Belt Conveyors for Dexing Copper Mine.
1986	Domestic largest raising height (+320m) Steel Cord Belt Conveyor with 3.4km. in length Fushun Western Open Pit Coal Mine.
1985-1986	Complete Steel Cord Belt Conveyor systems for sintering, cokery and limestone yard of Shanghai Baoshan Iron & Steel Complex, 2nd. Stage
1985	Took the lead of studying / researching the Freezing - Resistant Steel Cord Belt Conveyor in Huolinhe Open Pit Coal Mine.
1982-1983	Joint design & manufacture of Belt Conveyor Systems with Ishikawajima Harima Heavy Industries (IHI), Japan, for 2nd. Project of Coal Terminal of Qinhuangdao Port.
1982	domestic 1st. largest (B 1600), highest speed (v=3.0m/s) Steel Cord Belt Conveyor for No.8 Coal Terminal, Qinhuangdao Port.
1982	The 1st. Explosion-Proof Declined Steel Cord Belt Conveyor with hydraulic braking system Fengfeng Underground Coal Mine.
1981	The national 1st. Man-Riding Steel Cord Belt Conveyor for handling either persons or coal with dual speed Shuangyashan Coal Mine.
1981	Cooperated with Mitsubishi Heavy Industries Co. (MHI), Japan to supply Belt Conveyor Systems for Shanghai Baoshan Iron & Steel Complex, 1st. stage Project.
1980	The 1st. declined angle (-15°) Steel Cord Belt Conveyor Pingdingshan Underground Coal Mine.
1979	Complete system of Belt Conveyor 1st. stage Coal Terminal Project, Qinhuangdao Port.
1976	The 1st. longest (2.7km) Steel Cord Belt Conveyor in China at the time was designed and supplied for Yangquan Coal Mine.
1966	The 1st. Steel Cord Belt Conveyor in China was supplied for Pingdingshan Coal Mine.
